**SOMETHING NEW** IN THE

STRAW HAT TRADE.

In this undersigned would respectfully represent, that for some time past they have appeared in the Straw Hat Market, and are now in possession of their special purchases, viz.: "That all new styles were introduced so late in the season, they were compelled to make their heavier purchases without waiting, thus placing themselves at a disadvantage, and that they have been compelled to take up the latest fashions, instead of giving them the opportunity of better selections from larger assortments at prices to warrant their heavier purchases, and while awaiting to the force of such purchases, have been compelled to pay a heavy price to cover the difficulty, as far as lies in their power. In furtherance of this sitaral charge, they now invite special attention to the

EVERTETT HAT,

combining in its manufacture

NOVELTY OF DESIGN,

ELEGANCE IN STYLE,

AND BEAUTY OF FABRIC.

The supply of these Hats is very easily limited, owing to the want of room in their manufacturing place, and as a consequence, the undersigned will, in a great measure, be compelled to receive orders in advance of delivery.
